Candidate Statement:

I am running for Secretary of Five Points Board of Realtors because I believe in strong leadership, clear communication, transparency and putting our members first. Being a Realtor since 2002 and serving the Board, TREPAC, Governmental Affairs, Professional Standards along with serving on numerous other committees, I bring a strong industry perspective and a strong commitment to serve.

I hope to continue as a dependable, prepared and collaborative leader who listens to our members, supports transparency in decision-making and helps Five Points move forward with the best interest of the membership. With all the changes happening in our industry, I feel I am the right person for this position
