Candidate Statement:

I'm Tina Walden, REALTOR® and Team Lead of The Walden Realty Group, powered by LPT Realty, proudly serving clients throughout Central Texas. A generational farm girl raised in Bell County, I was raised on the values of hard work, honesty, family, and community that guide me today. I specialize in first-time homebuyers, military relocations, and farm and ranch properties, with a passion for helping clients find the place they're proud to call home. As a military veteran spouse and mother, I understand the unique needs of military families and the importance of a smooth relocation.

I currently serve on the Public Policy Business Issues Committee with Texas REALTORS® and as a District Vice President for the Texas Women's Council of REALTORS®. I've been recognized as a Golden R, President's Circle, Major Investor, and Hall of Fame recipient, and hold multiple professional designations and certifications. I'm passionate about leadership, advocacy, and providing every client with knowledgeable, personalized service. For me, real estate is about more than transactions-it's about relationships, trust, and helping people achieve their dreams. I'm proud to serve Central Texas with the same farm-girl values I was raised with: work hard, do what's right, and always take care of your people
